

PUBLIC INTERNATIONAL TENDER

Request for Expression of Interest for the Concession of Inter-island Maritime Transportation of Passengers and Cargo.

Country: Republic of Cabo Verde

International Public Tender: REF: EOI#001/UASE/2018

January 30th, 2018

One of the priorities of the Cape Verdean Government is the improvement of inter-island transportation. As Cape Verde is an archipelago the connectivity between the islands is critical to ensuring the efficient movement of passengers and cargo, promoting market unification, bringing an additional impetus to the economy, and supporting new investments/ business opportunities.

To that end, the Government of Cape Verde is launching an international tender to select a strategic partner, with proven track record, know-how and experience in this sector. The selected firm will have an exclusive concession contract for the provision of public service on the inter-island maritime transport, which does not allow for new entry of operators for the provision of inter-island transportation of passengers and cargo.
